Defendants.) Entered: June 8, 2004

The Communications Department of the Nebraska Public Service Commission (Commission), by and through its Director, Maurice Gene Hand, states and alleges as follows:

1. The above-mentioned defendants are telecommunications companies generally regulated by the Commission, pursuant to Neb. Rev. Stat. §§ 75-101, et seq. (2002 Cum. Supp.) and 86-101 et. seq. (2002 Cum. Supp.). Defendants are also governed by Title 291, NAC Ch. 5 of the Commission's Rules and Regulations.

2. As part of its regulatory authority and pursuant to § 86-159, the Commission, through its Communications Department, requires telecommunications companies which file an annual report with a federal agency to file a copy of the same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency is required to file an annual report with the Commission in a form prescribed by the Commission on or before April 30th of each year.

3. None of the defendants filed the required proper and complete annual reports for the year 2003 as of April 30, 2004. Each company was notified by the staff by first class mail that the annual report was due: Interexchange carriers and local exchange carriers were both notified on January 28, 2004. Additionally, interexchange carriers and local exchange carriers were notified a second time on March 23, 2004. None of the defendants responded by April 30, 2004, with a report that satisfies the Commission's requirements.

4. Based on the failure of the defendants to file the required annual reports by April 30, 2004, and each defendant's disregard of the requests to do so, each defendant's certificate of authority should be revoked and each defendant should be ordered to cease and desist operations in Nebraska.

WHEREFORE, the complainant prays that this Commission set this matter for hearing and revoke each certificate of authority previously issued to the above-named defendants.

DATED this 8th day of June, 2004.
